## Snickers LITEWork Working Clothes for the Summer

The innovative new quick-drying fabrics in this lightweight workwear make them a must for the summer months.

A change of season means a change of focus on what you wear on site. That's why Snickers NEW LITEWork clothing can help you keep your cool when you're working in sunny, warm and humid environments.

The ergonomic, body-mapping Trousers, Shirts, Shorts, mid-layer Jackets and Windproofers have all the comfort and functionality of other Snickers Workwear stretch garments but give extra freedom of movement on site.

Just like high performance sportswear, they are super-light, quick-drying garments – with ventilation and moisture transport features - that keep you looking smart and feeling cool wherever you are on site in warm weather.

After all, keeping a balanced work temperature is not just about staying cool it's a matter of your wellbeing and job safety. So, to make sure you get the right protection, flexibility, durability and ventilation, check out the Snickers Workwear product families for precisely the right garments to fit your workday.
