Detachable Holster Pockets In Snickers' New LiteWork Stretch Trousers

Leading where others follow, Snickers Workwear stretch fabrics deliver unrivalled comfort and close quarter mobility on site.

Snickers Workwear's hi-tech fabrics and body-mapping designs give plenty of scope for every professional craftsman and woman to stretch their performance on site comfortably. Designed for a wide variety of jobs on site, these LiteWork 4-way stretch work trousers are the ideal choice if you're working hard in warmer weather.

For maximum flexibility in getting work done, these new Trousers feature detachable holster pockets while the trousers themselves are made from full-stretch material for maximum mobility wherever

you're working while the Cordura®-reinforced Kneeguard™ pockets offer additional comfort and protection.

For maximum functionality there's also ruler, and cargo pockets for easy access to tools and fixings. They're all Cordura® reinforced for durability. So check out these newest designs – the optimal choice for craftsmen and women who need to get the job done quickly efficiently on site.
