IF THE CAP FITS - WEAR IT!

[Scruffs Work Cap](#)

£9.95 inc. vat.

Keep a cool head when you're on site in the sun!

At Scruffs, we understand that you need to be comfortable when you're at work. Grafting in the sun is great for a while, but the heat can soon take its toll! That's why we have designed this new Work Cap. It looks good, and will keep you shaded from the sun throughout the day.

The cap is lightweight, and it has ventilation holes, so it won't be a burden or make you sweaty as the day goes on. The adjustable strap allows resizing for best fit.

Designed with lightweight polyester fabric it's breathable, and above all else it looks good wherever you are, from the building site to a sunny beer garden.
