

Top Safety Accreditation for Pryor Marking Technology

Pryor are delighted to announce that they have been awarded accreditation from Alcumus SafeContractor for achieving excellence in health and safety in the workplace.

Pryor's application for SafeContractor accreditation was driven by the need for a uniform standard across the business, which demonstrates the company's commitment to safety while providing quality marking systems.

"We're delighted to have been awarded accreditation from Alcumus SafeContractor," says Simon Dunn, Operations Director at Pryor. "This provides piece of mind to our customers that all our work is carried out by trained staff to the highest standards and is completed following rigorous safety practices."

NOTES

Pryor is a world leader in the manufacture and design of both traditional and innovative marking, identification and traceability solutions.

Founded in 1849 in Sheffield, UK, a hub of manufacturing and the birthplace of stainless steel, the company's success is built on providing solutions for all manufacturing industries, with extensive expertise in aerospace and automotive standards.

Operating from sites in the UK, USA, France and India, Pryor serves an extensive customer base, supported by a comprehensive distributor network in countries across the globe.
