

# VSD breakdown cover for just £2.59 per day

**Quantum Controls can provide 24/7 variable speed drive cover for your business for less per day than the cost of a cup of coffee.**

As the leading UK supplier of variable speed drives, motors and maintenance/repair services, Quantum has recently launched their newest service offering - The 'One Call' Contract.

If you have a problem of any kind with your installed variable speed drives, Quantum's 'One Call' Contract **guarantees** to have you back up and running with just one site visit – or in some cases, with just one phone call.

MD Kevin Brown explains “When a variable speed drive breaks down it can halt the whole manufacturing process and costs begin to mount quickly. With the average cost of one hours lost production in UK manufacturing amounting to £12K, Quantum's 'One Call' Contract offers an immediate solution and peace of mind when you're faced with an emergency breakdown.”

For just £947 net per 12 month contract, your business can benefit from:

- 24/7 direct telephone support from drive experts
- Immediate 'engineer to site' request
- Unique 'first visit fix' guarantee
- All variable speed drives installed on your site covered under one contract regardless of make, type and power rating
- Access to UK's largest stock of variable speed drives, spares and hire units
- Unlimited calls and site visits

**Sign up before 30<sup>th</sup> September and get an extra three months free, that's 15 months cover for just £947net!**
