

For the fourth successive year, C.K tools has launched its annual Winter Wonderland promotion. With more deals than ever before, the promotion will be the most successful to date and is now well underway.

Containing over 150 products, Winter Wonderland 2017 includes newly launched ranges and added value products to new kits and some of the company's most popular tools and accessories.

Offering fantastic discounts across C.K tools, C.K Magma, Kasp and Avit ranges, the promotion will give tradesmen great value.

New product launches to be added to this year's promotions include the new range of C.K Waterpump Pliers in 175, 250 & 300mm sizes available from just £22.99 (ex VAT); plus the recently launched C.K LED 200 Lumens Head Torch, which carries a special price of only £19.99 (ex VAT).

Brand new When It's Gone It's Gone offers include the C.K 30W Rechargeable LED Flood Light available at fantastic price of £69.99 (ex VAT), boasting a 2700 Lumens light output with a 5 hour battery life at 50% brightness and comes supplied with a 12V car charger and mains charger. Better still, it is compatible with the brand new C.K Tripod, available for £17.99 (ex VAT), which features quick height adjustment and a secure locking mechanism.

The promotion also offers the handy C.K 28 Piece Pocket Socket Set ¼" Drive, which carries a discounted price of £20.83 (ex VAT), featuring quality chrome vanadium sockets and the C.K Ratchet Spanner Set containing seven sizes - 8mm to 19mm - conveniently supplied in a wall mounting rack for optimal storage, all at a fantastic price of just £39.99 (ex VAT).

Also included in this year's Winter Wonderland will be some of C.K tools' 'hero' products, including the C.K dextroVDE Slim Screwdriver Set available for only £29.99 ex VAT (RRP £49.80); the C.K Combicutter range and the C.K Blue Steel range, featuring torsion control technology to withstand the stresses of high torque applications, resulting in less bit breakage.

Customers can also take advantage of 7 added value packs including the C.K MightyRod PRO standard 10m kit with a free, newly launched head torch at a discounted price of £49.99 ex VAT (RRP £82.83) and the C.K dextroVDE GLO Screwdriver Set with a free dextroVDE GLO bottle opener for £29.99 ex VAT (RRP £44.70), which will come in handy this Christmas! Don't miss the 2 fantastic kits available including the pioneering C.K Magma Test Equipment Case Toolkit (RRP £187.29) and Electrician's Toolkit (RRP £219.29), which both come with a great selection of tools and a promotional price of £99.99 (ex VAT).

Graham Godfrey, Brand Manager, C.K tools, commented: "Of our many promotions, Winter Wonderland has always shone as a favourite among tradesmen. We're delighted to bring it back and offer these fantastic reduced prices on our most popular tool ranges yet again."

The promotion will run until 31st December 2017.
