

PRESS RELEASE

NEW *ProtecWork* Protective Clothing From Snickers Workwear

Fully accredited, advanced Protective Wear for heat and flame, electrostatic, mechanical and chemical risk environments from the UK's leading workwear innovator.

Snickers Workwear's *ProtecWork* range has new additions to its protective wear garments including Class 1 and 2 hi-vis work trousers, tops and sweat shirts.

Fully accredited for a variety of risk environments such as heat and flame, electrostatic, chemical and bad weather conditions, all the garments are manufactured from tailor-made fabrics designed to respond to the demands and risk factors of the conditions in which they're worn.

So with over 60 different garments and accessories to choose from, you can make sure you get the right protection, visibility, flexibility, comfort and freedom of movement on site. Check out the new Snickers *ProtecWork* range to fit your workday and wellbeing on site.
