# PRESS RELEASE

**Comfort and  
Safety For  
Wearers, Great  
Value for  
Employers**

Part of the Hultafors Group UK's portfolio of premium-branded Workwear, Tools, Protective Wear and Safety Footwear, the **Toe Guard** range of shoes and boots delivers great value safety footwear for all kinds of working environments and weather conditions.

With a RRP that starts at only £31.45 plus VAT a pair, this footwear is one of the fastest growing brands in Scandinavia where demands for safety, quality and value keep their shoes and boots one step ahead of the competition.

With a variety of shoes and boots available in the range, every product has in-built hi-tech designs that deliver S3-certified comfort and safety that includes robust fiberglass toecaps, shock absorption, flexible puncture resistant composite plates, ESD protection, oil resistant friction soles and water resistance.

"The Toe Guard product family compliments our portfolio of premium brands perfectly," says Peter Dumigan, the Hultafors Group UK managing director. "It combines top-specification safety footwear technology with exceptional value for money – an ideal solution for H&S managers, PPE buyers and specifiers."

***To get more information on Toe Guard range of Safety Footwear, check out the website at [www.toeguard.com](http://www.toeguard.com) or call the Hultafors Group UK Helpline on 01484 854788.***
