New Products, Lower Prices!

Pneumatics Direct has launched their new 2016-2017 online catalogue this month, now offering over 50,000 products from a range of industry leading brands. The company says, working extensively with their suppliers has enabled them to give customers the **lowest prices in the UK for online sales**. The new catalogue features extended product ranges including; malleable iron fittings, hydraulic quick release couplings, pneumatic cylinders, compressed air receivers and hydraulic hose. Pneumatics Direct also prides itself in offering free next day delivery on all orders placed up to 10pm, giving customers the best service quality!
