CKI Lighting the Way with an Exciting New Range of Inspection Lights

Carl Kammerling International (CKI) is set to enhance its successful C.K Tools Lighting range with a fantastic choice of innovative new high performance Inspection Lights, offering a host of advanced features, including the very latest in LED lighting technology. A range of three premium Inspection Lights are being introduced, all designed to offer superb clarity for low light working environments.

T9423USB – C.K COB Mini Inspection Light 240 – Rechargeable This high performance 240 lumen COB-LED Mini Inspection Light is ideal for illuminating smaller low-lit spaces. Fully rechargeable with up to 2.5 hrs battery life, there are two lighting modes – high, dimmed. At just 89mm in height this handy little light also features an integrated pocket clip and magnetic base perfect for hands free working; and is supplied with a type C USB charger cable.

T9424USB – C.K COB Inspection Light 240 – Rechargeable A powerful 240 lumen COB-LED rechargeable Inspection Light, with additional torch light and four lighting modes – standard, red, torch, tip. The integrated rechargeable 3.7V 1200mAh Li-Ion battery delivers up to 2.5hrs usage in standard/red modes, torch up to 4hrs, and tip up to 14hrs. The product is supplied with type C USB charger cable. An integrated magnet, clamp and hanging hook is perfect for hands-free working.

T9425USB – C.K COB Inspection Light 400 – Rechargeable This quality high powered 400 lumen COB-LED rechargeable Inspection Light offers even more power and features an additional torch light. Four lighting modes are available – standard, red, torch and tip – the integrated rechargeable 3.7V 2600mAh Li-Ion battery delivers up to 3hrs usage in standard/red modes, torch up to 5hrs, and tip up to 17hrs. The inspection light is supplied with type C USB charger cable. An integrated magnet, clamp and hanging hook enables hands-free working.

These new high performance C.K Inspection Lights, offer trade professionals a great selection of innovative products that combine versatility with the quality and reliability they have come to expect of the C.K brand.
